Christ in the Passover

A presentation by Jews for Jesus

'Christ in the Passover' explains the original Passover story and the fulfilment found in Jesus, the true Passover Lamb. It shows the significance of the Passover symbols, such as unleavened bread, bitter herbs and cups that together tell the story of God's redemption plan. It shows how Jesus used the Passover in the Upper Room with the disciples to point to His own death and resurrection, as He instituted the Lord's Supper or Communion.
